

Adventure: Ocean Adventures, Plettenberg Bay, Garden Route, Western Cape.

The unique experience in marine tours. Join David Rissik and his team for a conservation-orientated marine eco-adventure of a lifetime. Explore the mysteries and beauties of this ancient bay that teems with marine life: whales, dolphins, seals, sharks, pelagic birds – both rare and common. David is deeply involved in the study of dolphin and whale inter-species communication and their importance to us as healers, both physically and spiritually. Let David and his team reveal their fascinating world to you. Daily trips include:

- 1,5 hour trip
- 2.5-3 hour in-depth tour
- Half-day tour including a champagne picnic on a secluded beach.

Plettenberg Bay is on the N2 east of George, which is at the intersection of the N2 with the N12. AMOcean
